I PLEDGE TO STAY OFF TRAIN TRACKS

- I will cross only where there are crossing signs
- I will never cross tracks when a train is moving
- I will never chase the train
- I will never try to outrun a train
- I will never trespass on tracks. It's against the law!
- I will never walk or bike along train tracks
- I will never wear my headphones around train tracks
- I will stay behind the yellow line on platforms
- I will always look both ways before crossing
